Show overview

A record total of 6,522 world energy leaders, stakeholders and executives from 50+ countries converged in Kuwait for the 4th Society of Petroleum Engineers Kuwait Oil & Gas Show and Conference (KOGS 2019) between 13 - 16 October for 4 days of strategic dialogue and business opportunities.

7% increase in attendance

Marking a 7% increase in attendance, attendees were welcomed by 191 exhibitors from 30 countries at the world-class exhibition of state-of-the-art equipment, machinery, technological advancements and innovative services in the oil, gas, refining and petrochemical sectors.

The parallel conference programme convened under the theme 'New Energy Transition: Delivering Value Through Collaboration and Capability' and featured over 190 expert speakers, covering topics across the full value chain focused on today's industry trends and challenges.

Industry support

KOGS 2019 was held under the patronage of the Prime Minister of Kuwait His Highness Sheikh Jaber Mubarak Al-Hamad Al-Sabah, and was officially supported by the Kuwait Ministry of Oil and Kuwait Petroleum Corporation and subsidiaries.

The exhibition was organised by Informa Markets. The parallel multi-disciplinary conference was co-ordinated by the Society of Petroleum Engineers (SPE) in cooperation with a committee of senior NOC and IOC representatives, major operators and academia active in the region. In 2019 the committee was chaired by Hashem Sayed Hashem, Deputy Chairman and Chief Executive Officer of Kuwait Petroleum Corporation.
